

Spring

We may still seem to be clinging to the last of the wintery and cold weather, but spring is here and the children are itching to get outside more often, after all there are only 4 weeks now until the Easter holidays!

Busy, busy, busy... a snapshot!

It was lovely to watch the children in full action this week. The range of activities which were happening in and around school were fantastic!

E-Safety - Do not ignore!

Why is it important to stay safe online?

The potential for the internet to be a valuable and fun resource for entertainment, making friends and learning is huge. But if you use the internet, you could be at risk of illegal activity or abuse - be it bullying, fraud or something more serious. Unlike seeing someone face to face, on the net, people aren't always what they first seem.

In the same way you learn about safety when you leave the house, it is important to learn how to stay safe online. These are skills that will stay with you for life.

See www.thinkuknow.co.uk for more details.

Film Club

We are delighted to inform you that FILMCLUB will be showing its next film on Wednesday 4th March 2015. It will be a chance for your child to experience a variety of films in a safe, happy and structured setting. Our FILMCLUB aims to make a wide range of films available, which challenge, unite, educate, amaze and inspire.

Our FILMCLUB will be running from immediately after school until 5.00pm. Refreshments will be provided and there will be a small charge of £1 to cover this.

We will be watching 'Over the Hedge'. The film is classified as a 'U' and as such is suitable for all.

In this animated comedy from the makers of Shrek and Madagascar, a group of forest animals awake after their winter hibernation to discover that a huge hedge has been planted in the middle of their home - and what's on the other side is a new housing development. With half the forest gone there's not much food to be had, but help may be at hand in the shape of cheeky raccoon RJ. He encourages Verne the tortoise, Hammy the squirrel, Stella the skunk and friends to start stealing from the encroaching humans. But RJ's got his own agenda. Will the animals discover what he's up to?
