Experiences' Day

Please find below two accounts written by children who took part in this year's Experiences' Day.

On the 17th June 2016, Cranwell Primary School held an Experiences' Day for Year 3 to Year 6. Miss Hill organised the whole event and I am really grateful! All of my 4 activities were with adults from Cranwell or from a different school; from secondary to primary. Everyone was having fun around me and I was enjoying myself so MUCH! The year sixes from Kirkby La Thorpe came to visit as well, and they seemed to be having a great time. I'm sad that I will never have an 'experience' like this again, but wherever I am, I will remember it! ☺

On the 17th of June 2016, Cranwell Primary School held the fabulous 'Experiences' Day'. This is a day for KS2 to enjoy 4 tasks each, that they have never experienced before. Miss Hill was the organizer of the WHOLE event! I am extremely appreciative! Kirkby La Thorpe's year sixes were welcomed to our school. Many events were held on this day. Everything I saw around me was full of happiness and enjoyment! I enjoyed myself so much that I didn't want to go home! I am a little disappointed that people in secondary school don't have the amazing 'Experiences' Day! I will miss it when I go to secondary school next year. I will definitely remember that day!

A special thanks to all of the parents and helpers on the day, who gave up their time to join us, and a special thanks to Miss Rebecca Hill for organising the day!

Macmillan Mile

The Whole School will be joining RAFC Cranwell on Tuesday 28th June 2016 to help raise money for the Macmillan Trust. Parents are welcome to join us on the day. We will be leaving school at approximately 11.20am. Please ensure children have waterproof coats, sun hats/water bottles and sun cream applied before arriving at school, if required. The children will have a late lunch when they return to school, so please ensure a snack is provided for morning break time. Hopefully the RAF Falcons Parachute Display Team will open the event and then lead the way on the walk itself. £1 on the day is all that is asked to enjoy this event. Friends and family are welcome to attend. Please come along, even if it's only for the initial display, to make this event the success Macmillan Cancer Support deserves.

Before and After School Club

The provision of a before and after school club is going ahead from September. Details concerning how to book places will be sent out next week. The club will run between the hours of 07:30am – 08:45 am and 15:05pm – 17:30pm, during term time only.

Vacancy

The school is currently looking for a group of 'Before and After School Assistants' to provide an outstanding provision for the children who will attend.

Applicants will be able to demonstrate the ability to be dedicated, enthusiastic, flexible and happy to join a motivated, supportive team.

Responsibilities will include assisting with the running of the club on behalf of the School Governors. To be accountable for organising and providing resources for the club, ensuring the activities provide the children with physical, emotional, social and intellectual development and giving consideration to ethnic, cultural and linguistic family backgrounds. Successful applicants must have relevant first aid and safeguarding training.

If you are interested in the role of a 'Before and After School Assistant' please contact the school office for more details and an application pack.

Netball

This term, 1MD have been looking at the skills of attacking and defending during their PE lessons. They used these skills very effectively during our recent whole school afternoon of sports where they played netball for the very first time. The children showed an impressive understanding of the skills they had been taught. They looked for spaces to run into and effectively passed the ball to each other. They all thoroughly enjoyed the afternoon and showed great competitive spirit and sportsmanship.

Sun Protection

Don't forget to apply sun cream to your child before school and please send them to school with sun hats and a water bottle. Water bottles and sun hats are available from the school office.

Leaving or Posted?

To help us plan for new admissions we would appreciate it if you could let us know if your child/children will be leaving Cranwell Primary School during the term. Many thanks!

Classes for September 2016

As normal procedure, we are unable to predict exactly whose class your child/children will be in for the next academic year. A decision cannot be made until Monday 5th September, when all children return to school, along with the new intake children who enter the school in different year groups. As with every year this is something we cannot foresee as admission forms are even received on the first training days in September. This then means a reshuffle of some of the class lists to accommodate these children. Staff are unaware of who will be in their classes and will receive their class lists, as usual, in September. More information will be issued concerning the first day back towards the end of term. I'm sure we have your understanding concerning this matter.

School BBQ

The School Annual BBQ will take place on Thursday 30th June 2016 from 16:30 – 19:00 here at school.

Final Assembly

Parents of children in Year 6 are welcome to join us for our final assembly on Thursday 21st July at 13:20pm. In the past, parents have organised certain surprises on the last day for the Year Six children leaving Cranwell, before moving to secondary school. Please note, this arrangement is not organised by the School or the PTA, and is normally organised by those parents wishing to participate. If parents do organise any vehicles (limo etc) please can you let the school office know, so that we can arrange parking facilities if required. Many thanks.

Football

Congratulations to Alex McConnell, Matthew Eaton, Aiden Oliver, Joe Burton-Graham, Daniel Shields, Liam Rothwell, Levi Docherty, Aiden Taylor, Korey Drysdale and Oliver Haywood for representing the school at the Year 2 football tournament at Carre's Grammar School yesterday.

The two teams enjoyed the tournament, performing very well. Thank you to all the parents for coming along to spectate and well done to Luke Jervis and Lily Cox for refereeing.
