### Information

We are delighted to announce that in the next few weeks, work will begin on revamping the front entrance area and the school office. As a result, the school office will be temporarily moving next to the entrance for the 'Before and After School Club'. We understand that this is not the friendliest and easiest access to the school office, but is the only place that will still remain secure for the children of our school. Children and parents will still be able to access both playgrounds through the normal route, however, this may be restricted. This will only be for the last 3 weeks of the Summer Term and the first few weeks of the Autumn Term, by which, the project will hopefully be completed. Please see below the proposed extension and redesign of the front of school. We appreciate your patience and understanding during this time, and apologise for any inconvenience this may cause.
