### KS2 Sports' Day

Key Stage Two Sports' Day  
Thursday 13<sup>th</sup> July @ 9:45am

### Final Assembly

Parents of children in Year 6 are welcome to join us for our final assembly on Wednesday 19<sup>th</sup> July at 13:30. Doors will open from 13:15. In the past, parents have organised certain surprises on the last day for the Year Six children leaving Cranwell, before moving to secondary school. Please note, this arrangement is not organised by the School or the PTA, and is normally organised by those parents wishing to participate. If parents do organise any vehicles (limo etc) please can you let the school office know, so that we can arrange parking facilities if required. Many thanks.

### Planned Works

Next week, work will begin on revamping the front entrance area and the school office. From Monday, the school office will be temporarily moving next to the entrance for the 'Before and After School Club'. We understand that this is not the friendliest and easiest access to the school office, but is the only place that will still remain secure for the children of our school. Children and parents will still be able to access both playgrounds through the normal route, however, this may be restricted. The project will hopefully be completed by November 2017. We appreciate your patience and understanding during this time, and apologise for any inconvenience this may cause.

### Stars in their Eyes

Parents of children in Year 6 are welcome to join us for 'Stars in their Eyes' assembly on Tuesday 18<sup>th</sup> July at 13:15.

### Sun Protection

Don't forget to apply sun cream to your child before school and send them to school with sun hats and a water bottle. Water bottles and sun hats are available from the school office.

### PTA Meeting

The next PTA Meeting will be held on Tuesday 11<sup>th</sup> July at 9am in School.

### Macmillan Cancer Support

Wednesday 21<sup>st</sup> of June- the day of the annual School BBQ- Tillie Tupholme and Sophie Wenman decided to run a stall. All the money raised would be donated to Macmillan Cancer Support. Fiona Wenman (Sophie's mum) and Kelly Tupholme (Tillie's mum) helped a great deal, as not only did they make cakes and cookies, but got buckets, bands, balloons and a table cloth all to do with Macmillan.

### Mathletics

Mathletes of the week were:

Noah Rossington 4100  
Alice Bullement 3207  
Isla Swainston 2902

FS/KS1 2/3CO 6695  
3/4H 16086

And last week,

Jessica Stanley 2320  
Ethan Wells 2084  
Eleanor Gould 1950

KS2 = 3/4H 9070  
KS1 = 1H 4204

"It was very chaotic and kept me on my feet," reported Sophie, "however it was a very fun experience!" Hannah Wenman, Sophie's sister, helped with selling the cupcakes, as Neil helped make the cupcakes whilst Richie Wenman counted the money. Tillie was running a 'Guess The Name of The Teddy Bear' stall. She filled all the names up and announced the winner in assembly. The winner was: Lily Cox, which was ironic as Sophie, Tillie and Lily are a trio of friends! Sophie and Tillie were shocked and elated when they found out they raised not £50, not £100, not £200, but £221.76! Surprisingly, Tillie and Sophie are receiving a cheque at the College Hall in a few days from now. "I can't believe this is happening!" exclaimed Tillie Tupholme, overwhelmed with excitement. Hopefully, this will inspire future generations of children. **LET'S BEAT CANCER!!** by Tillie and Sophie Year 6

### Hindu Temple

Last Thursday Years 3 and 4 travelled to the Shree Hindu temple in Leicester. They were lucky enough to witness the music, incense and candles of their morning worship and got to look at lots of beautifully decorated shrines to Hindu gods and goddesses close up. The children now have a better understanding of how Hindus believe that God is a part of every living creature which is why they are vegetarians.

### BASC Club

Thank you for the contracts that have already been returned regarding provision from September 2017 (Term 1) Could all existing and new BASC contracts already issued by school and not yet returned be sent in asap to guarantee places. Any new BASC parents will need to send in their booking forms to school asap as again spaces are at a premium.

## College Hall Visit

On the 28<sup>th</sup> June 2017 Class 5/6H took a visit to the amazing Cranwell College Hall. On the way, we bypassed many buildings, like Cranwell Church, the pavilion and many more. When we arrived at the College Hall, we were introduced to Lee, who worked for Queen Elizabeth II, and Hazel, who was our main guide leader. After we were introduced, we were given a sheet with some clouds on it and we had to write in the clouds what we knew about the first world war. As soon as everybody shared their ideas we were escorted to a corridor where there were many pictures of College Hall students, who had won sport trophies and also a glass cabinet where there were famous artefacts and paintings. As we made our way past another corridor, Hazel grabbed our attention by opening a door which lead to the dining area where there was a statue of an eagle which had to be taken out of the dining area if there was a fire. Also there were paintings of Guy Gibson, who led the Dambuster Bombing in the Second World War. When we made our way upstairs we were greeted by the biggest library we've ever seen. There were two librarians who told us about the artefacts there and the paintings. When we were finished with the library, we were told to go downstairs and into the Lancaster room where we were given activities to do, and then at end of the day we were given post-it notes and were told to write what we liked about the trip and what they could improve for the next group. So that was our amazing day at Cranwell College Hall!

### The Many Coloured Sea

*The sea is like a rainbow,  
It has many, many colours.  
Sometimes it's angry, sometimes  
it's calm or low,  
The many coloured sea.*

*When the sea is angry,  
It crashes and bangs  
And roars furiously.  
It slashes and hangs  
And sends out waves dangerously,  
The many coloured sea.*

*When the sea is sad,  
It lets people go right past  
And when ships plough by  
It just sits and stares at their  
masts,  
And sometimes it breaks down to  
cry,  
The many coloured sea.*

*When the sea is calm,  
It gently laps at your feet,  
It's polite and generous  
It's someone you'd want to meet,  
The many coloured sea.*

By Oliver Wainwright (5B)

## The Sea

Last week, class 5B looked at how different poets approached the theme of 'The Sea', culminating in writing their own poems. Here is Oliver Wainwright's which we think you will agree is fantastic!  
Well done Oliver!

## Classes for September 2017

As normal procedure, we are unable to predict exactly whose class your child/children will be in for the next academic year. A decision cannot be made until September, when all children return to school, along with the new intake children who enter the school in different year groups. As with every year this is something we cannot foresee as admission forms are even received on the first training day in September. This then means a reshuffle of some of the class lists to accommodate these children. Staff are unaware of who will be in their classes and will receive their class lists, as usual, in September. More information will be issued concerning the first day back towards the end of term. I'm sure we have your understanding concerning this matter.

## Leaving or Posted?

To help us plan for new admissions we would appreciate it if you could let us know if your child/children will be leaving Cranwell Primary School during the Summer term. Many thanks!
