Many thanks.

Literacy and Numeracy Information Evening Lunchboxes

A big thank you to the parents who attended Tuesday's Information evening here at school. We do hope it was useful to assist your child with their learning.

The slides from the evening have been uploaded to the school website. These can be found at:

<http://www.cranwell.lincs.sch.uk/help.asp>

Here is some of the feedback from parents:

'...very useful to know the techniques used for simple arithmetic.'
'...useful to have practical tips to help children every day at home.'
'... a very informative evening. Good to see how the children are being taught to work things out. Good to know the expected standard.'
'... it was very good to explain lots of terms used in literacy and maths. It gave a really good insight into the sorts of things the children are learning about and how we can help as parents.'

Road Safety

Can we please all take a little more care driving in and around the school area. Parking in and around school is often congested at drop off and collection times, as are most schools around England. I ask all parents that you always consider where you park when dropping off and collecting your children. Yes, you may think you are parked sensibly and your car is not in the way or 'not harming anyone' where it is, but can children cross safely where you have parked? Will your car make it difficult for other cars to get past?

Please spare a thought for all the local residents living around the school perimeter, especially in Cherry Tree Crescent, Baghdad Road, Delhi Square and the Spar Car Park.

Please can we show full consideration and ensure we do not park on, or obstruct any driveways or paths.

School are aware of Lincolnshire Police's visits to these areas and are warning parents they are issuing tickets where appropriate.

Many thanks for helping to respect our neighbours.

Bike Sheds and Car Park

Please ensure that children are not running in and around the bicycle sheds or staff car park area. Please note, any loss, damage or theft of bikes and scooters in the sheds are not the responsibility of the school, but we do request all parents help in ensuring accidents do not happen within this area.

Your cooperation in this matter is greatly appreciated.

E-Safety - Talking to your child

It is really important to chat with your children on an ongoing basis about staying safe online.

Not sure where to begin? These conversation starter suggestions can help.

1. Ask your children to tell you about the sites they like to visit and what they enjoy doing online.
2. Ask them about how they stay safe online. What tips do they have for you, and where did they learn them? What is OK and not OK to share?
3. Ask them if they know where to go for help, where to find the safety advice, privacy settings and how to report or block on the services they use.
4. Encourage them to help someone! Perhaps they can show you how to do something better online or they might have a friend who would benefit from their help and support.
5. Think about how you each use the internet. What more could you do to use the internet together? Are there activities that you could enjoy as a family?

If you want ideas on how to make a healthy packed lunch: www.nhs.uk/change4life/Pages/healthy-lunchbox-picnic.aspx

...have got some great ideas for you, and in no time you'll have delicious lunchbox ideas for all the family. Take the lunchbox list with you when you shop - it will help you avoid reaching for tempting, less healthy foods, and it could save you time and money too!

To avoid choking, please can we request that grapes and cherry tomatoes be cut in half in children's pack-ups.
