1. School Context

School Year* Based on the May 2016 census return except BME which is calculated using the January census return

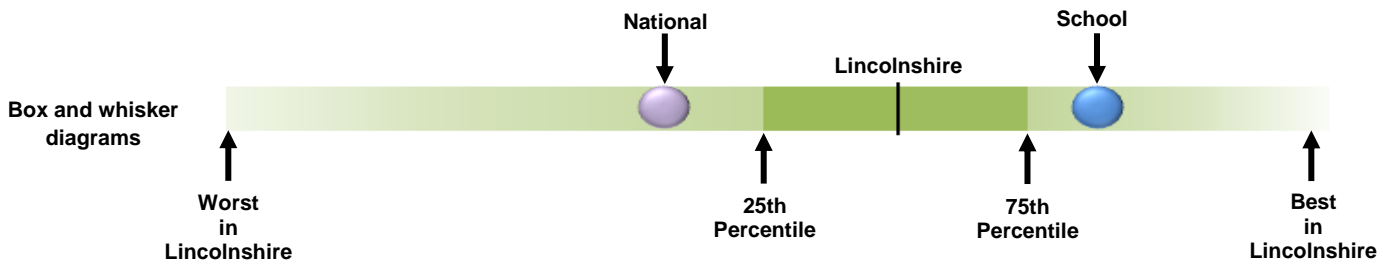

BME** Ethnic groups that are not White British

2. Attendance / Exclusions

Attendance & Exclusions Calculations are based on school census information.

Persistent Absence*** Calculated at pupil level. As of 2016, if a pupil is absent for 10% or above of the total possible sessions, that pupil is classified as persistently absent. This methodology has been applied to all previous years to allow for comparison.

3. Pupil Performance

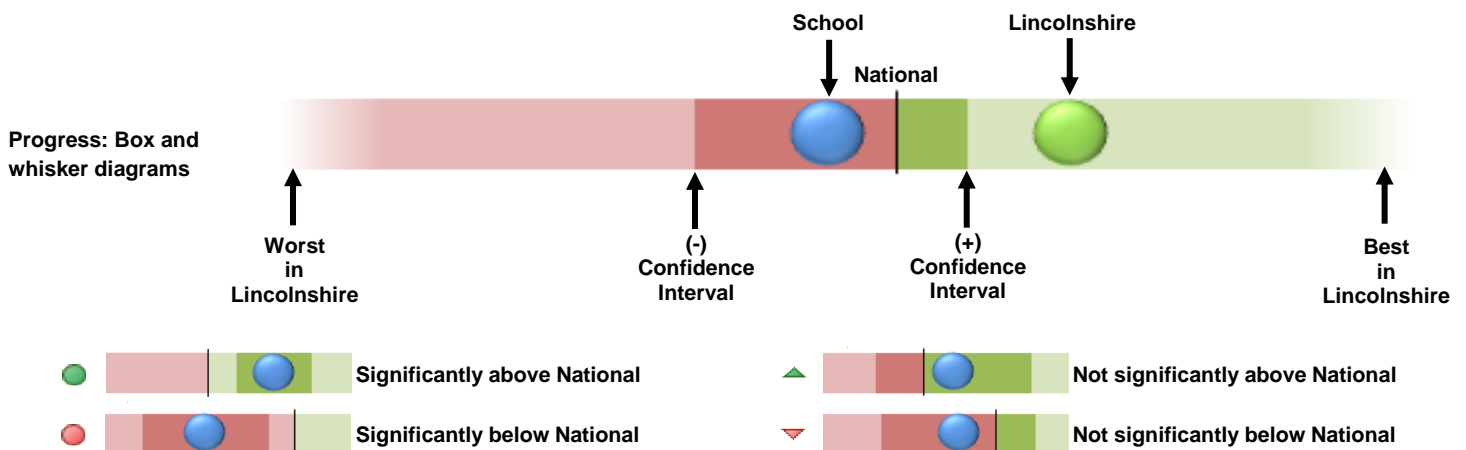

If the purple National marker doesn't appear, this means the data is unavailable.

As of 2016, the Key Stage 1 and 2 indicators have changed, meaning we cannot provide a direct comparison with previous years. Instead, the report now shows the percentage difference between the School and Lincolnshire. Any cells highlighted in red indicate that the School has scored less than Lincolnshire for that particular year. The table below shows which indicators the calculations have been based on:

Key Stage 1		Key Stage 2	
Pre 2016	2016	Pre 2016	2016
+/- Lincolnshire at Level 2B	+/- Lincolnshire at Expected Standard	+/- Lincolnshire at Level 4B	+/- Lincolnshire at Expected Standard

KS1 - 2 Progress

- Confidence intervals are removed where the cohort size is equal to 5 or less

- All Lincolnshire average progress scores exclude Special schools except for the following charts

KS1 Average Point Score	KS1-2 Progress Score: Maths									
	-12	-9	-6	-3	<0	>=0	+3	+6	+9	+12

The figures in this chart represent the number of pupils who started in a particular KS1 Prior Attainment band and their corresponding KS1-2 Progress score.

Green represents above National

Red represents below National

The darker the colour, the higher the concentration of pupil numbers within that bracket.
