Thursday 25th Dec, 10-11am, St Andrews

Festival of Carols

On Monday 15th December 2025, classes 6H, 6B, 5B, 5P, 3/4R, and 3CO will be celebrating the Christmas story together.

Services will begin at 09:45 & 14:00 in the School hall, and we welcome parents to join us, for the occasion.

Tickets can be booked through Parentmail PlusPay. A raffle will be held at both services.

Foundation Stage & Infant Production

The Foundation Stage and infants will be performing their Christmas story through their Nativity on Tuesday 16th December at 14:15 and Wednesday 17th December at 09:45.

Tickets can be booked through Parentmail PlusPay. A raffle will be held at both performances.

Christmas Lunch

Christmas Lunch is planned for Wednesday 17th December. Please see Ideal Foods booking page to book a lunch.

Arriving Late — Please Read!

Our School gate will be closed promptly at 8.50am each day.**For the safety and security of our pupils, we kindly remind you that any children arriving after this time must be accompanied into School by a parent or guardian. Once at the gate, please call for access into the school. The parent will also need to sign the child into the register within the school office with the reason for being late.****Thank you for your cooperation in this matter. If you have any questions or concerns, please do not hesitate to get in touch with us.**

Your guide to health services in Lincolnshire

Self Care

Treat aches, pains, coughs, and colds at home. Stock up your medicine cabinet with over the counter remedies.

Pharmacy

Visit your local pharmacy for advice on minor injuries, allergies, constipation, headaches, cold and flu symptoms, and earache.

Your GP Practice

Contact your GP practice about symptoms that aren't going away. They can offer you an appointment or signpost you to other services.

NHS 111

If you have an urgent health need but are not sure what to do, think NHS 111.

Call 111 or visit 111.nhs.uk. Available 24/7.

WaitLess

Download the WaitLess app to view live waiting times, queue numbers and travel-time information for our urgent care facilities.

Urgent Treatment Centre

Seek help for sprains, fractures, minor burns, and skin infections. Simply walk in or book an appointment via NHS 111.

Dental Treatment

For urgent dental care please contact your normal dental practice, or for advice out of hours call NHS 111.

Mental Health Crisis

If you are worried about your mental health, call 111 and choose Option 2. Available 24/7

In a medical emergency call 999. This is when someone is seriously ill or injured and their life is at risk.

For more information visit www.nhs.uk

Make Use of your Pharmacy

NHS Lincolnshire ICB is encouraging people to talk to their local pharmacy for advice on medications and treatments – and how to take them safely.

Information about which pharmacy is open over the weekend can be found here <https://www.nhs.uk/service-search/find-a-pharmacy/>

Pharmacists are highly trained experts in medicines, and can provide advice on the best medication or treatments for a wide range of common winter health problems such as coughs, colds or flu-like symptoms, stomach aches, earaches, sickness and diarrhoea, rashes, allergies, aches and pains

They can also offer lots of useful advice on how to make sure you take medicines safely and make you aware of any possible side effects, in order to help you get the most from your medicines.

While most people go to their pharmacy for medicines and medicines advice, many don't know about the range of other healthcare services they offer, including personalised medicines advice, help to quit smoking and to maintain good sexual health, treatment for minor ailments and advice on preventing disease.

A uniquely accessible workforce of qualified health professionals, in addition to delivering expert medicines advice, pharmacists are able to offer an expanding list of public health services, such as free flu vaccinations for vulnerable at risk groups, and they are available without appointment.

Pharmacists are able to deal with a wide range of ailments, as well as offering advice on maintaining and improving your health, and the majority now have consultation rooms where they can talk with you in private. In addition, pharmacists are trained to know when a referral to another health care professional is advisable.

With this in mind, patients, their families and carers are being encouraged to follow these five simple steps when speaking to a pharmacist:

Feel free to ask your pharmacist anything at all about your medication, health or wellbeing. Remember - they're trained health professionals, and if it's important to you, it's important to them.

If you're visiting your pharmacy to get treatment for a minor ailment, be clear about your symptoms – what are they, and how long have you had them. This will help ensure they are able to give you the best advice possible.

If you think the medication or advice given isn't right for you, let them know. They won't be offended and should be able to reassure you, clarify information, or discuss any alternatives.

If you find anything is unclear about the advice your pharmacist has given you, say something. One way to do this is to repeat back what you think they mean and ask "is this correct?"

If you want to talk to the pharmacist in more depth, ask if you are eligible for their free of charge NHS medicines advice services, designed to help you get the most out of your medicines.

Pharmacies may also be able to offer treatment and some prescription medicine for certain conditions, without you needing to see a GP (this is called Pharmacy First). Conditions they can treat as part of Pharmacy First are:

earache (aged 1 to 17 years), impetigo (aged 1 year and over), infected insect bites (aged 1 year and over), shingles (aged 18 years and over), sinusitis (aged 12 years and over), sore throat (aged 5 years and over), urinary tract infections or UTIs (women aged 16 to 64 years)

If you go to a pharmacy with one of these conditions, the pharmacist will offer you advice, treatment or refer you to a GP or other healthcare professional if needed.

They will then update your GP health record.

If you are not within these age ranges, a pharmacist can still offer advice, but you may need to see a GP for treatment.

Your local pharmacy can also offer free health checks, stop smoking support, blood pressure testing and much more with no appointments needed.

If you need more urgent medical help or advice over the half term you can always visit NHS111 online or call NHS 111 anytime.

Cranwell Primary School Newsletter

Page 7

Mobile Phones and Watches

We do not support children bringing mobile phones into school, however we do realise that some older children need them for safety reasons if they are walking home alone. If this is the case, phones must be left with the class teacher during the school day.

The school is not responsible for damage or loss of phones.

We do not allow watches into school which take photographs or have communication capabilities. Please understand this is for Safeguarding purposes.

If it Snows!

If you are unsure whether the school will be open on a day when it snows:

We will send out a Parentmail which will provide relevant information as to whether we are closed.

Also, you could check www.lincolnshire.gov.uk/schoolclosures

...or listen to BBC Radio Lincolnshire.

A decision sometimes can not be made until 8am, therefore remain at home until the latest time possible to safely travel to school. Please note, even when radio stations/LCC websites are contacted by school, it can often take a considerable time for the information to be available for broadcasting or uploading.

Road Safety

A reminder to please take care driving in and around the school area.

Please remember there is a 5mph speed limit on the drive.

Parking in and around school is often congested at drop off and collection times, as are most schools around England. I ask all parents that you always consider where you park when dropping off and collecting your children. Yes, you may think you are parked sensibly and your car is not in the way or 'not harming anyone' where it is, but can children cross safely where you have parked? Will your car make it difficult for other cars to get past?

Please spare a thought for all the local residents living around the school perimeter, especially in Cherry Tree Crescent, Baghdad Road, Delhi Square and the Costcutter car park.

Please can we show full consideration and ensure we do not park on, or obstruct any driveways or paths. School are aware of Lincolnshire Police's visits to these areas and are warning parents they are issuing tickets where appropriate. Many thanks for helping to respect our neighbours.

Exit on the Left

The one-way system in the morning is continuing to work really well with parents dropping their children off. Please make sure your child leaves their car via the passenger side of the car to avoid any accidents.

Disabled Parking Considerations

We have limited disabled parking on the school premises, and we do have families who require these.

We are unable to enforce this but please be considerate and keep these spaces free for those that require them.

To avoid any misunderstanding when using the disabled bays, please display your Blue Badge.

We appreciate your understanding in this matter.

Ordering Hot Meals

Please remember that infant classes are provided with Universal Infant Free School Meals. Please remember to order and outline any allergies. Children in Key Stage 2 currently can order hot meal lunches through Ideal School Meals, our food provider, or parents may wish to send in a packed lunch instead. Children in Foundation Stage and Key Stage One also receive a piece of fruit each day through a Government initiative.

Healthy Snacks at Playtime

Just a gentle reminder that your child needs a healthy snack for break time and a water bottle to take into their class. Whilst some of the cereal bars do offer health benefits, they also contain a high level of sugar which is detrimental to your child's teeth, leading to tooth decay. Fresh fruit, vegetables, raisins or cheese for their morning snack are the best choices and we would ask children to save their other snacks for lunchtime. If your child has access to fresh water throughout the day, then they are able to remain hydrated and concentration levels are improved, aiding good progression.

Lunches

If you want ideas on how to make a healthy packed lunch: www.nhs.uk/change4life/Pages/healthy-lunchbox-picnic.aspx

...have got some great ideas for you, and in no time you'll have delicious lunchbox ideas for all the family.

Take the lunchbox list with you when you shop - it will help you avoid reaching for tempting, less healthy foods, and it could save you time and money too!

Allergies—Urgent! Please read!

We currently have a number of children in school who have severe allergies. Please can I ask parents to ensure that packed lunches or snacks **do not include nuts/peanut butter/sesame seeds, chocolate spread etc.** We also **have children who have a Coconut allergy. This includes coconut based foods, cosmetics and other products e.g. sun lotion and hand cream.**

Please make sure you contact school if your child has any new allergies. Many thanks for your support in this matter.

Primary Parent's Online Safety Q & A event - Discover Your Child's Digital World

3rd December 6pm-7:30pm. Join the Stay Safe Partnership for an online safety event designed for parents. Learn the latest on:

Age-appropriate apps and games, Online trends and social media and Parental controls and practical tools

It takes Courage and Perseverance to be able to have Success!

Cranwell Primary School Newsletter Page 8

Medical Info, Absences and Dental Appointments

We ask that you please make every effort to avoid booking medical and dental appointments during school time. Where this is unavoidable, parents/carers should put this in writing to the school office and attach a copy of the appointment card/ letter or show a member of office staff a text before the date of the appointment and then we will authorise the absence. Please also include the time you will need to collect your child.

If your child will be late into school because of a medical or dental appointment, please phone the school on the morning of the appointment and leave a message on the absence line before 8.30 am. If arriving late, please ensure that your child is accompanied and signed in by an adult at the school office for safeguarding reasons.

If no letter, appointment card or text message reminder can be provided we will not authorise the absence. Medical and dental appointments will normally only be authorised for a morning or afternoon session and not the whole day unless the reasons for this are explained.

Contact Details

Please ensure that the school office is notified of any change in your contact details.

Parentmail

Please remember to check your emails daily as school news and information will be sent via ParentMail. If you have not signed up or updated your email address, please do so via the school office: enquiries@cranwell.lincs.sch.uk

Travelling to and from School

We openly encourage children to either walk or ride their cycles to school, but they must do so safely.

Top Tips for Riding to School

- Ride with your children.
- Do not let your child ride to school if they are not riding with you, or not attending Bikewise Training, or not safe to do so alone.
- Wear a properly-fitted helmet. It is the best way to prevent head injuries and death.
- Ride on the pavement when you can.
- Use hand signals and follow the rules of the road.
- Wear bright colours and use lights, especially when riding at night and in the morning.

Please see below some useful websites to help you teach your child the rules about cycling:

<https://bikeability.org.uk/cycle-more/family-cycling/essential-cycling-skills-for-families/>

<https://www.raleigh.co.uk/gb/en/cycling-advice/riding-guide-cycling-to-school-safely/>

Please can we all help keep everyone safe by ensuring children dismount their scooters and bicycles as they enter the school grounds. Many thanks.

Using a Private Tutor?

If you are considering using private tutors for additional support for your child make sure you undertake the necessary safeguarding checks required, for instance...

ensuring the tutor has an up to date Enhanced DBS Certificate.

The Importance of Reading

It is important that children experience a broad curriculum. Learning about our World, the people within it and its climate are important. Keeping fit and healthy is vital for the children to reach their potential. Maths, writing and spelling are just as important in the casserole of learning a child needs. A child's reading skills, however, underpin their success in school in all subjects, as they will allow them to access the breadth of the curriculum and improve their communication and language skills. Reading opens more doors to new worlds for our children.

What difference can I make as a parent?

You can make a huge difference! Parents are just as important as teachers. Reading to your children and listening to them read is so important for their development.

How to encourage your child to read?

Here are some websites with great ideas to encourage your children to read:

<https://www.readingrockets.org/article/encouraging-your-child-read>

<https://www.english.com/blog/motivate-children-reading-five-fun-activities/>

Helpers greatly appreciated...

Do you have free time during the school day? Could you help listen to reading at our school? Or could you help in an administrative way by adding the books we already have onto our school library electronic system? If so. Please contact the school office. Thank you.

Term Dates

LumiNova

Lumi Nova is a carefully designed app aimed at helping children between the ages of 7 - 12 manage feelings of anxiety. **Lincolnshire County Council and Lincolnshire Partnership NHS Foundation Trust are providing free access to Lumi Nova to families living in Lincolnshire.**

Lumi Nova is a breakthrough digital therapeutic game for childhood anxiety, co-designed with children, parents, NHS clinicians, and experts in mental health, human-centred design, and ethical gaming technology. It empowers young minds to overcome mental health challenges and create life-long skills using highly immersive experiences that are self-guided, interactive, and fun.

Parents can register their child online or download the app.

Who is Lumi Nova for?

Lumi Nova is for 7-12 year olds facing difficulties with anxiety, including:

- **Phobias** e.g. Being afraid of spiders or insects, heights, being near dogs, or the dark.
- **Social anxiety** e.g. Feeling worried about making new friends, going to social events.
- **Separation anxiety** e.g. Unable to sleep alone, worried about being away from parents, going to school.

Lumi Nova provides Exposure Therapy and should not be used with children who have severe anxiety.

Further information can be found at <https://luminova.app/> or <https://www.youtube.com/watch?v=mmgrU4zXU3M&scrlybrkr=72fa057e>

What is Lumi Nova?

Everybody worries sometimes, but sometimes worries stay and can have a big impact on your child's life.

Lumi Nova can support your child by helping them set goals and challenges to overcome their worries, one step at a time.

- ★ **NICE recommended digital therapy** through a fun mobile game (smartphone/tablet)
- ★ **For 7-12 year olds**
- ★ **Supports mild to moderate fears, worries & anxiety***
- ★ **Based on Cognitive Behavioural Therapy (CBT)** and provides Psychoeducation and **Exposure Therapy** - The gold standard of care for treating anxiety
- ★ **Safe, effective & easy to use**

*Lumi Nova is for children aged 7-12 experiencing mild to moderate anxiety. It is not recommended for use by children with severe anxiety, in crisis, experiencing suicidal thoughts, or at risk of self-harm without the support of a mental health professional.

See instructions for use: bit.ly/luminova-ifu

Using Lumi Nova can help your child:

- ✓ **Learn life long skills** on how to self manage their worries
- ✓ **Learn how to breakdown fears and worries into manageable steps**
- ✓ **Build confidence and resilience** by completing small challenges in the game and in real life
- ✓ **Understand what worry and anxiety is** so they can learn to cope
- ✓ **Talk about their own worries** in a way that is **non-stigmatising**

To learn more visit: luminova.app

Attendance

Supporting you to understand the new rules

A National Framework for Penalty Notices for school absences, including unauthorised leave of absences in Term Time, is being introduced following changes to the law.

These new government regulations will come into effect from **19th August 2024**.

What are these changes?

If a pupil has **10 unauthorised sessions**, which is equal to **5 school days**, within a **10 week period**, a penalty notice may be issued.

This will come under 3 categories: First, Second, and Third offence.

First Offence

The first time a Penalty Notice is issued for Term Time leave or unauthorised absences the amount will be:

£160 per parent, per child if paid within **28 days**, reduced to **£80** per parent, per child if paid within **21 days**.

Second Offence

The second time a Penalty Notice is issued for Term Time leave or unauthorised absences the amount will be:

£160 per parent, per child to be paid within **28 days**. No reduced rate will be offered.

Third offence and any further offences (within 3 years)

The third time an offence is committed for Term Time leave or unauthorised absences a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates Court.

Magistrates' fines can be up to £2500 per parent, per child. Cases found guilty in Magistrates' Court can show on a Parents future DBS certificate, due to failure to safeguard a child's education.

For any further inquiries about school attendance please visit:
www.lincolnshire.gov.uk/school-attendance
