

.Results of Parental/Carers Questionnaire 2022

We have collated below the results of the Parental Questionnaire completed during Parents' evenings and want to thank you for the important feedback you gave us. We had a fantastic 225 completed forms.

We would like to thank you for the kind words, we really appreciate this. We will continue to work hard for your children and for all the families and will try to work on the areas you have said we need to improve on. These will be included in our School Development Plans.

*two questionnaires did not say either way

A few parents omitted answering all of the questions. Therefore, statistics are based on those questions answered.

Please see below comments made by parents:

My only comment is in regard to the lack of response to communications from the main office. I would like to be informed if my emails are forwarded, which would be helpful.

More feedback on how children are doing will always be welcomed

CPS is a great school, and my child is happy here, any issues are addressed effectively, and the teachers and staff are kind and friendly.

After School Clubs

Very happy overall. Sad that it's the last year for my son.

Sometimes he's happy, sometimes he's not. Headteacher of the school is brilliant. Receive newsletter at start of the term.

Thank you for all you do!

My son came here mid-term and having struggled in previous schools he has only positive things to say and seems more settled.

My daughter has been welcomed into school and settled really well.

Would like more clubs for the younger children, ie. Arts, cooking. All the teachers are very supportive of all the children. Mr Wilson, we also feel has a very good relationship with all the children. Thank you as we know it's been a tough time through covid.

Thanks for everything you have done to support our daughter over the last 18 months.

I find the kids in the class who are SEN can be a little disruptive and can impact my child's learning. They can be very loud.

My daughter seems very happy at school, and we are happy with her progress.

Lovely school 😊

Mrs Mulhall and Mrs Smith are doing amazing work with helping my son develop. Thank you.

There was an incident that I felt was not dealt with but had spoken to the teacher about it.

Like my first child, my second child still enjoys going to school. He is made to feel part of the wider school network and enjoys all the activities provided. As a service family we feel the school ensures that my child is supported as needed.

My son is very happy here.

My son tells me regularly how happy he is at this school which is really reassuring after our relocation. He often thanks me for choosing this school and Miss Clark is fantastic.

We are very happy with the school and learning programme. Our only small niggle would be school reports seem like they could have more content. The 😊 :1 😞 are never used and levels in acknowledgement of what is being achieved.

Very happy with our daughters progress this term. Thank you, Miss Priestly.

The school has given a good foundation to our daughters learning and development. She will really miss Cranwell Primary School, as will we.

I have been extremely happy with the help and support for our children.

Wonderful school! Lovely teachers and happy children. What more could we ask for?

The whole school and staff are completely amazing.

Fantastic School! Wouldn't go anywhere else!

I feel that the school has made my child very welcome and she has made lots of friends.

Office staff always super friendly 😊

Great school and great to see my child thriving 😊

We love Cranwell Primary and are grateful for all you do.

During such a challenging few years I think the school has delivered above and beyond for my children. They are happy as a result of dedicated, motivated and talented teachers. The school has supported us to identify and address SEN issues to our satisfaction. Mrs Bullement has been an amazing teacher for both of my kids – we think she's wonderful.

Fantastic support to us all, during a very difficult time for my child. We can't thank Mr Wilson and key staff members enough. It made a huge positive difference.

We would love art clubs.

The school play 'What a Knight' was fabulous. Such an amazing opportunity. All involved did an excellent job. So important for children to have access to the arts now that the curriculum gives less time for them.

Smiles group is fab – thank you!

I would like to see after school clubs become available again.

Both boys are happy and are learning so much, pleased by their progress.

Very pleased with school – thank you for all your hard work.

Overall, very positive with the school. Only concern is that they have projects which involve financial costs that some parents may struggle with.

Would love more non-sport options – I realised a need to cautiously build back up after covid restrictions.

There have been some issues with my child and her peers in class but it has been well managed by the teacher and staff. Pandemic caused children issues bonding and making friends plus there was a break in schooling which reflected in behaviour standards and social skills. With this all in mind I am so very happy with my child's support.

Since my son has joined Cranwell he has come on loads, even with Covid 19. Thank you for all your support.

More spaces needed for wrap around school club.

Sorry! Not much to say, it's a great school.

Excellent effort went into the play, the kids flourished, in fact, they have flourished in general at Cranwell and have always been keen to come to school.

Greater clarity on after school clubs would help.

My daughter has loved being at Cranwell Primary, she is very happy, confident child because of this. We will miss it when she leaves after year 6.

We absolutely love this school! Fantastic communication, our son has made so much progress and is such a happy boy. Thank you for everything.

Thank you for all you have done for my child so far! 😊

All my daughters' books are full of Twinkle worksheets, every page has a structured worksheet – where's the creativity?! My daughter has expressed to her teacher that she is unhappy as she doesn't have any friends in her class and Year 4 are having split breaktimes, so she doesn't have the opportunities to see her friends in school.

During such a challenging few years I think the school has delivered about and beyond for my children. They are happy as a result of dedicated, motivated and talented teachers.

Would be nice if there were more after school clubs ? Band ? touch rugby or similar. Also swimming as part of the curriculum. Get gymnastics back in.

Further placements in the Before and After School Club would not only benefit the school financially but would also support parents in the community.

My child is always very happy to attend school. Communication with staff is timely and all staff have been very approachable. The school encourages extra-curriculum activities to increase the children's confidence and skill set.

I couldn't wish for better. There have been a few bumps in the road along the way, but they have all been supported and I am incredibly grateful for the support that has been offered.

Think this is a fantastic school. It is lovely to see the Head teacher daily on drop off and collection.

We are really happy with the support and progress my child receives at this school.

Very happy with communications with school. Love the environment the school provides.

My child has been lucky enough to not be bullied but I feel they would deal with it efficiently.

My child's teachers this year have been amazing with him!

Very happy with the high standard of teaching and support my daughter receives in 4R. She is progressing well and finds her lessons interesting and engaging. Most importantly she enjoys coming to school! Thank you.

My son is very happy at this school.

Thank you to all of the parents who completed the questionnaire.
