What progress measures mean

Most schools will have progress scores between -5 and +5. If a school has a progress score of 0 this means that on average their pupils achieved similar results at the end of KS2 (end of year 6) to pupils in other schools with similar results at the end of KS1 (end of year 2). If a school has a positive progress score this means that on average their pupils made more progress than pupils in other schools with similar results at the end of KS1.
