We would like to thank you for the kind words, we really appreciate this. We will continue to work hard for your children and for all the families and will try to work on the areas you have said we need to improve on. These will be included in our School Development Plans.

My fourth primary school experience: CPS is one of the best led with great resources and opportunities and committed and dedicated teachers - thank you.

When I have raised concerns with the school the response has been absolutely amazing; thank you to all staff for everything!

My children are very happy here and I am very happy with their learning and progress – thank you.

Fantastic school with wonderful staff and values.

While Parentmail is useful, the amount of messages is sometimes difficult to filter.

Thank you for all you do 😊

A fantastic school with exceptional teachers and leadership 😊

'Shot gun' approach to email messages and Parentmail is sometimes difficult to filter. Perhaps easy filter: educational info; extra curricular, general info....? Just a thought 😊

Disappointed with progress made by my child when concerns were highlighted from the outset.

Thank you for all that you are doing to support, nurture and encourage my child: he is flourishing 😊

My child was disappointed not to be picked to be head of house – a rotation per term might stop this.

My child feels safe and happy at school.

As a parent who doesn't do 'pick ups' I feel I don't have as much information as others.

Thank you for all your support 😊

Very few clubs on offer this year and at times very female focussed; no 11+ club on offer this year.

Fantastic school!

My children are thriving at CPS.

We are very pleased how well our child is doing in school.

This is a very good school; thank you for all you do.

My child is excelling in reading and mathematics due to the nurturing environment at the school and I am very impressed with the teacher. In fact, the school and all staff are excellent. 😊

The school is brilliant and my child is very happy here.

My child loves it at CPS and enjoys going to school.

Perfect! 😊

My child is very happy – thank you.

Very good support for my child.

Thank you for all you do!

Can't fault the leadership and teachers at the school. Bullying issue took a long while to sort, but other than that, really pleased.

Thank you for all your support.

Thanks for the ongoing support.

My child is doing really well and any concerns that I've had have been dealt with very well.

Best school ever! Thank you for all your hard work and support.

We are so encouraged by our child's progress with reading and writing, but also pleased with the way she is looked after, particularly when she was finding school difficult at the start of term.

Think it may be on a government level but wish there was more budget and time for the Arts. Music has been great this year - with the choir – but would like more time for art and drama in school. However, this is on top of an already amazing school.

Not long enough to eat lunch.

My child has enjoyed attending CPS.

My child has grown in confidence this year thanks to a very supportive teaching team.

I think the drive for a new uniform and logo is let down by the school still displaying the old logo on the school and entrance. Pride in the logo should be visible immediately and not just down to the students.

Minor issue with library books went on for too long until teacher made aware which led to a quick resolution.

Fantastic primary.

Well behaved children.

I wouldn't recommend this school due to the mix in year groups. My child has been told they have Dyslexia but we've not seen a plan to help and have also been told this might have been misdiagnosed.

Very good school; supportive and helpful.

My child has made amazing progress – thank you.

The school has been a fantastic support to my child and our family - excellent support!

Excellent school with excellent support for children and families.

My child has special educational needs, and the school has been very supportive in helping us to secure help, including trying out new techniques.

My child is very happy and his teachers are fantastic.

Thank you.

Thank you to all of the parents who completed the questionnaire.
