

Hello everyone!

Hope you are all well and have had a fantastic 'VE day' weekend! Thank you for all the pictures that you shared with me via the school email. It was nice to see all the exciting activities you have been doing, from beat boxing to raising money for charity! A big well done to those who have been running, hula-hooping and cycling for charity with your parents. Keep up the good work and continue your home learning. Here are some more learning ideas for you to explore over the next couple of weeks. Have fun and keep helping your parents at home too. Until we meet again, take good care of yourself.
