

### Maths

Our current maths topics are length and perimeter and fractions. See the maths page below for some websites to help you.

### Times tables

You need to keep practising your times tables. Have a look on the times table page for websites to help you.

### Writing/Topic

Our geography topic this term is Australia and New Zealand.

See the grid below for some project based ideas for you to complete.

### Spelling

Use this time to learn the words from the 3/ 4 Word list you can find in the front of your planner. Can you find them in a dictionary and write them in a sentence?

### Reading

We would normally read every day in class - can you try to read every day and record this in your reading record. Use the book bingo to read a range of texts. Don't forget the book reviews in the back of your planner!

### Extras

If you do anything else over the break such as play board games, make a fort, bake, bike ride, walk or go out to national trust site - draw me a picture, write a recount, tell me a story about it or take some fabulous photos - not all learning can be done in the classroom!

## 3/4P - Distant Learning Activities

### Maths Activities

Length and perimeter activities will be set for Week 1.

Read and watch through the learner guide <https://www.bbc.co.uk/bitesize/topics/z4nsgk7/articles/zqf4cwX>

Watch class clips <https://www.bbc.co.uk/bitesize/clips/zvsvcdm>, <https://www.bbc.co.uk/bitesize/clips/zntn34j>,  
<https://www.bbc.co.uk/bitesize/clips/z8jmv4>

Please log onto your education city account and in classwork, complete the activities in order. "The Learn Screen" program will help you understand the lesson and "Activity" program will let me know if you have understood it. "Activity Sheet" is a worksheet available to print if you have that option. <https://www.educationcity.com/>

Please log onto you mathematics account and complete the activities set. If you get stuck during one of the questions remember to click on the ? and it will explain what you need to do in more detail. <https://login.mathletics.com/#/student>

Fractions activities will be set for Week 2.

This is a new topic so please read and watch the learner guides. <https://www.bbc.co.uk/bitesize/topics/zhdwxnb/articles/zxcfjty>,  
<https://www.bbc.co.uk/bitesize/topics/zhdwxnb/articles/z9n4k7h>

Watch class clips <https://www.bbc.co.uk/bitesize/clips/zjckq6f> , <https://www.bbc.co.uk/bitesize/clips/zqf34wx> ,  
<https://www.bbc.co.uk/bitesize/clips/zs7g4wx> ,

Please log onto your education city account and in classwork, complete the activities in order "The Learn Screen" program will help you understand the lesson and "Activity" program will let me know if you have understood it. "Activity Sheet" is a worksheet available to print if you have that option. <https://www.educationcity.com/>

Please log onto you mathematics account and complete the activities set. If you get stuck during one of the questions remember to click on the ? and it will explain what you need to do in more detail. <https://login.mathletics.com/#/student>

These activities are to last until the Easter break.

## 3/4P - Distant Learning Activities

### Maths Activities

#### Extra Games

<https://play.prodigygame.com/> - Pokemon style game with maths questions!

<https://play.edshed.com/> - practise your number bonds, power of 10 and addition and subtraction

[www.topmarks.co.uk](http://www.topmarks.co.uk) -interactive games

<https://www.oxfordowl.co.uk/for-home/kids-activities/fun-maths-games-and-activities/#maths-7-9> - games and activities

<https://www.mathswithparents.com/KWeb?startTime=1584558592239#menu584883> - Free access to parents - videos and activities across the maths curriculum.

These activities are to last until the Easter break.

## 3/4P - Distant Learning Activities

### Times Table Activities

<https://play.ttrockstars.com/auth/school> - Times Table Rock Stars is a great way to practise your times tables

<https://play.edshed.com/> - Practise your times tables

<https://www.timestables.co.uk/> - Learn and practise

<https://www.topmarks.co.uk/maths-games/7-11-years/times-tables>

<https://www.oxfordowl.co.uk/for-home/maths/help-with-times-tables/> -

These activities are to last until the Easter break.

<p>Australia Mini Quiz</p>	<p>Bake a traditional New Zealand recipe such as Hokey Pokey biscuits or Kiwi Crisps</p> <p><a href="https://kiwianatown.co.nz/about-kiwiana-town/kiwiana-recipes/">https://kiwianatown.co.nz/about-kiwiana-town/kiwiana-recipes/</a></p>	<p>What is the Haka and where does it come from?</p> <p>Watch and learn the Haka</p> <p><a href="https://www.youtube.com/watch?v=I3gbneDt-S4">https://www.youtube.com/watch?v=I3gbneDt-S4</a></p> <p><a href="https://www.youtube.com/watch?v=p5cHEID5cf8">https://www.youtube.com/watch?v=p5cHEID5cf8</a></p>
<p>The film set for The Hobbit is in New Zealand. Write an adventure story for a hobbit or other mythical creature that lives in this home.</p> 	<p>Draw the Australian and New Zealand flags.</p> <p>What is similar and different between them?</p> <p>Make a down under Map</p> <p>In Australia they have maps printed with South at the top - so that Australia was near the top and in a middle position instead of lost somewhere at the bottom!</p> <p>You can make your own map by tracing over an upside down "traditional" map onto paper and then label the continents yourself, so that Australia is at the top, not the bottom.</p>	<p>Your dream holiday in New Zealand or Australia</p> <p>How long is the flight?</p> <p>What would you need to pack?</p> <p>Where would you stay?</p> <p>What would activities could you do?</p> <p>Create a poster/powerpoint to show me your dream holiday.</p>
<p>Create a picture/sculpture of a native Australian/New Zealand animal using any media (Paint, collage, pencils)</p> <p>For example - Echidna or Kiwi</p>	<p>Which explorer found Australia? When did he find it?</p> <p>Research the explorer and produce a presentation to tell to the class. It can be a video/poster/powerpoint any other way you can think of.</p>	<p>Can you find any places in Australia or New Zealand that match place names in the UK?</p>

These activities are to last until the Easter break.

## 3/4P - Distant Learning Activities

### Spelling Activities

<https://play.edshed.com/> - I have assigned you all the spelling activities based on the spelling patterns we have already looked at this year as revision.

You have a list of words in your planner that you need to know by the end of Year 4. Learn some of these that you did not know before. Find them in a dictionary and write them in a sentence.

These activities are to last until the Easter break.

Can you read these texts you could find at home? 3 in a row for 1hp the whole board for 3hp

Newspaper/ Online news article	Funny story book	A book by my favourite author
Non - fiction (Information book)	A new book	A recipe
My school book	A poem	Instructions

These activities are to last until the Easter break.

## 3/4P - Distant Learning Activities

### Extras!

Don't forget you can play sports in your garden and have fun!

If you want some extra PE resources these are things we use in class;

<https://www.cosmickids.com/> - Yoga

[https://www.youtube.com/watch?v=gCzgc\\_RelBA](https://www.youtube.com/watch?v=gCzgc_RelBA) - Just Dance

<https://www.youtube.com/watch?v=mhHY8mOQ5eo> - Joe Wicks Fitness video

These activities are to last until the Easter break.
